2018 Keynote Speaker

Lt. Col. Robert Darling

Former Whitehouse Airlift Operations Officer during September 11, 2001

Lt. Col. Darling retired from the United States Marine Corps in 2007 with just over twenty years of active duty service. After an impressive early career piloting attack helicopters in Desert Shield, Desert Storm, and as a presidential pilot with Marine Helicopter Squadron One, he was handpicked in October 2000 to work for the White House Military Office, Airlift Operations Department.

It was in this position that, during the attack of September 11, 2001, he supported the President, Vice President and National Security Advisor in the underground President's Emergency Operations Center (PEOC) and witnessed unprecedented leadership and decision making at the highest levels of our government.
