Your Safety message is only as effective as the way it's communicated.

If you're a small business owner, employer, manager
or employee, this program will help you to:

- Understand communication issues and adult learning needs.
- Organize safety messages and training content for more effective communication.
- Select, design and use media to get your safety message across.
- Improve your presentation and facilitation skills, and handle difficult situations.
- Evaluate the effectiveness of your training.
- Complete an action plan for implementing your own safety training program.

**We'll show you how to create a
receptive environment for raising
safety awareness and driving behavior
change in your small business.**

Location:

University of Delaware - Research and
Education Center - Rt. 9 in Georgetown, DE

- maps will be sent with confirmations-
