

# Defensive Driving Course 8/6

## Instructor's Development Program

Through National Safety Council's Defensive Driving Instructor Certification Course, a member from your organization can become certified to teach the DDC 8/6.

This course provides the core knowledge and principals on teaching students how to drive defensively, and how to reinforce safe driving techniques and collision prevention strategies.

More than 65 million drivers have learned to protect themselves on the road by taking part in National Safety Council (NSC) programs. The Chesapeake Region Safety Council conducts NSC's Maryland, Delaware and Washington D.C.'s defensive driving courses and directs local programs and advocacy efforts.
