Proven to significantly reduce crashes, citations and DUI arrests

Instructors discuss techniques to cope with peer pressure, passengers, distractions, cell phones and driving hazards in a classroom setting. This course is used in many states by schools for parking permits, insurance companies for driver discounts, courts for first infractions and employers to address their younger employees' decisions and habits behind the wheel.

Additional information

- A discount upon completion of the class with some insurance companies
- Meets Maryland MVA requirements for those <25 and required to attend a Driver Improvement Course
- Bring MVA paperwork and valid government photo ID, if assigned by Court
