Dave Madaras, CSP, CHST

President of Chesapeake Region Safety Council, Professional Speaker, Author, Safety Professional, Football Coach, Combat Veteran

According to the National Safety Council's *Injury Facts*, in 2024, the United States experienced nearly two hundred thousand unintentional injury deaths and over fifty million injuries requiring medical attention. In the same year, the Bureau of Labor Statics reported over five thousand fatalities and one hundred thirty thousand injuries in the workplace.

197,449 Preventable Deaths | **54 Million** Injuries

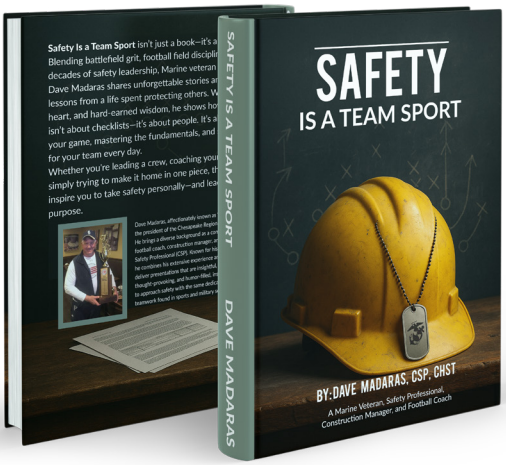

2024 National Safety Council Injury Facts

5,070 Workplace Deaths | **130,000** Workplace Injuries

2024 Bureau of Labor Statistics

Dave's simple coaching system offers a powerful solution to these troubling statistics by equipping your employees to become champions of safety. Through his practical and proven approach, organizations can significantly reduce the risk of injuries and fatalities, lower associated costs, and maintain compliance with safety regulations—all while fostering a proactive safety culture in the workplace.

Safety is a Team Sport

Now available on Amazon! *Safety is a Team Sport* by Dave Madaras blends lessons from the football field, the military, and the workplace to show that safety succeeds when everyone works together. It's an inspiring, practical guide that reminds us that teamwork and accountability are the keys to keeping everyone safe.
